## Deuteronomy 1v1-18 *'Words matter'*

Facing an uncertain future

We can face an uncertain future secure in God's faithfulness to his promises

### **3 Questions:**

1. What's your strategy when facing uncertainty?  
How is that working out?
2. Whose word do you most often listen to? What are the consequences of that?
3. What will it look like for you to retell your story with God in the picture?
