

Bible Overview Week 1 – Created for Relationship

Before the session think about and answer the following:

1. What were we made for and what does it look like to realise that?
2. Is that possible this side of eternity? Why or why not?
3. What does it look like to enjoy a relationship with God?

Read: Genesis 1-2.

4. What is God's purpose in creation according to these chapters? What is the high point and why?
5. Is the creation God makes perfect or just good? Why do you say that?

Think through

In a world searching for meaning and love but hesitant about truth is the gospel good news and is the Bible believable? Why or why not? What do you say? What would your friends, family and colleagues say?
