

Bible Overview Week 2 –Relationship Ruined

“The Bible is a fairy story, it’s just so unreal, it doesn’t make sense of the world we live in.” How would you answer such an objection?

Relationship rejected (Gen 3)

What was the keystone of the Garden? And how does Satan seek to remove it?

How is Satan different to God?

What is Eve actually doing that is so sinful, so big that it has such seismic consequences?

Consequences, characters and patterns

What consequences can you see in Genesis 3 of their sin?

Was God right that they will certainly die or was Satan right?

What are the consequences of that in chapters 4-11 (use the headings to help you)? What does it teach us about sin?

Hope of return

What hope is there in Genesis 3? How is that ultimately a promise of relationship restored?

So What?

How is it helpful to see temptation is sin made attractive?

What do we learn in these chapters about:

a. Humanity

b. God

c. Sin

d. Salvation

What one thing strikes you? How can you live in light of that this week? What will that mean practically?
