

Bible Overview Week 1 – Created for Relationship

If I asked you to give me one verse that summed up the whole Bible where would you go and why?

The God we worship (Gen 1)

What do we learn about God in these verses?

THE relationship we were created to enjoy

How is that vision of God different from how you tend to think of him and who the world portrays God as? What difference does that make?

The relationship given to facilitate our relationship with God (Gen 2)

How is Genesis 2 different from Genesis 1? What do we learn there?

So What?

What are the implications of that for our evangelism?

What about for our view of marriage, singleness and friendship?

“The gospel isn’t about religion it’s about relationship.” Do you agree with this or disagree and why?
