

Relationship Redeemed

Reflect on the following passages, what do we learn in them:

Genesis 3v15

Genesis 12v3

Jeremiah 31v31-34

Ezekiel 34v7-16

Malachi 3v1

God with us: Luke 3v21-22 & 4v1-13

What do we learn about Jesus identity in these verses?

Read Luke 5v1-11, what do we learn from the disciples reactions and especially Peter's about Jesus identity, sin and Jesus mission?

How does Jesus transform the way people think about pleasing God? What does it mean to follow him in the way people relate to God

Luke 5v33-39

6v1-11

6v27-36

6v37-42

7v36-50

10v38-42

11v1-4

Telling tales or transforming everything?

Read Luke 15. What does Jesus teach us about God's heart in each of these 3 parables?

Trophies of Grace

Look at the characters below that we meet in Luke's account of Jesus crucifixion. What do learn about them and from them?

Barabbas (23v13-24)

The crowd (23v27-31)

The criminals (23v32-43)

Really Risen

Read 24v36-49. Why does it matter that the disciples see that what has happened is what was written, that Jesus is the fulfilment of the Law, Prophets and Psalms? How does that help understand his life, death and resurrection? What does it lead to?

So What?

Jesus isn't just God with us but he opens up a whole new way for God to be with us. That means we grow as disciples as we explore and grasp the extent of his love, its unfathomability, and it's transformative power.
