

## Bible Overview Week 7 –Relationship Revolution

**Before the session think about and answer the following:**

1. How does the gospel transform our relationships? What has that meant for you?
2. How do you think about church? What images would you use to describe church and why? How does the world think of church and what images might it use? What image does the Bible use?

**Read: Acts 2**

3. What do we learn about the Holy Spirit? How particularly do the Old Testament quotations shed light on this?

4. What do the events of Pentecost create and what does it look like?

**Think through**

5. What are the challenges for the gospel going to “Jerusalem, in all Judea and Samaria, and to the end of the earth?”

It would be helpful if you read Colossians 1-2 before you come.
