

## **Relationship Revolution**

We're going to look at the relationship revolution that the gospel produces. The gospel transforms not just our vertical relationship with God; Father, Son and Spirit. But it also revolutionises every other relationship horizontally and creates a new community.

*In Acts 2 what happens?*

### **Colossians: United to Christ**

*(1v3-7) What is Paul excited about as he looks at the Colossian church?*

*(1v9-13) What does he pray for them?*

*(2v6) As Paul describes the Colossians where are they located and to remain, and what does that mean?*

*The Colossians are to grow and mature as they live in Christ, but how do they do that? Paul gives them 5 things what are they?*

*How is the church to be different in the way to relates to one another? What makes that hard, what makes it helpful and necessary for us as believers?*

*Which of these do you find hard? Which do you find easiest?*
