Speaker - Alastair Gooderham

## Matthew 17v1-13 *Seeing the Son*

We will only listen to Jesus rightly if we see him for who he really is

Jesus wants disciples to move from fear to faith

### **3 Questions:**

1. Who do you say Jesus is? How does that show in the weight you give his words?
2. Where are you feeling the clash of kingdoms? Who are you sharing that with?
3. Are we humbly learning what it means to follow Jesus?
