

1 Timothy 2v1-7

1. What is God's purpose for you as a follower of Jesus?
2. What is God's purpose for his church?
3. What is the problem in Ephesus? What does Timothy need to do to correct that?
4. What is the first priority the church needs to put in place and why?

5. Why is this prayer so important for the church? What do we learn about what pleases God?

6. What stops us from praying like this? And living like this?

7. How should understanding what pleases God shape the way we live? What would that look like in practice?

8. What is the truth God longs for all to come to know? Why do you think Paul stresses “oneness” and “all-ness” where he does?

9. How ought those truths to shape the church in Ephesus?

10. How does Christ giving himself as our ransom shape our lives?

11. What is the God given purpose of the church? What does it look like for us to live that out both, together, and when we scatter to where God has placed us?
