Our relationships must be reshaped by the gospel

**Apply the gospel to ministries so God's
compassion for eternal and physical needs is seen**

3 Questions:

1. How do you help others fight sin and grow in their faith? What holds you back?
2. How does God's word change and challenge the way you think about our church family?
3. What do we as a church need to consider and change so that the gospel rings out from us?
