This morning -

Psalm 64

From Complaint to Confidence

Speaker - Alastair Gooderham

Psalm 64 *From Complaint to Confidence*

God gives us words to talk to him about the painful reality of life in a broken world

God invites us to run to him as our refuge

3 Questions:

1. Do you lament the brokenness of the world to God? Why or why not?
2. What is your refuge when life is hard and what does it look like to seek it?
3. Where do you need to apply those two words “But God” to life this week?
