The danger of comfort: forgetting God

Speaker - Alastair Gooderham

Deuteronomy 8

The danger of comfort: forgetting God

Learn the lessons of the past: You can trust God and live by his word

Learn the lessons ready for the future: don't be lulled by plenty but be careful to trust God and live by his word

3 Questions:

1. When do you forget God? Why do you forget God?
2. How dependent are you on God? How dependent on his word? How is that seen?
3. What will it look like to be careful to remember him?
