

What are the implications of what we believe for:

a. us as individuals who follow Jesus?

b. us as a church?

What is the application of that for you personally? What does that mean practically?

Sound Doctrine

Paul encourages Timothy to teach sound doctrine because that leads the church to be healthy as that doctrine is applied to their life together and they grow in the love and holiness of God. But what is sound doctrine? That's what we'll look at over this series.

Week 5: Salvation

How would you answer the question; 'What is wrong with the world and how do we put it right?'

How does society around us try to answer that question?

Here is what our statement of faith says:

"Salvation is entirely a work of God's grace and cannot be earned or deserved. It has been accomplished by the Lord Jesus Christ and is offered to all in the gospel. God in his love forgives sinners whom he calls, granting them repentance and faith. All who believe in Christ are justified by faith alone, adopted into the family of God and receive eternal life."
